COURT ADJOURNS TO MONDAY AT 9

No Evidence is Heard Today in Conspiracy Case of State Against Boaz Demaree

CAREY WAYNER ON THE STAND
Man Who Aided Jesse Demaree in Dean Robbery and Became State Witness, Testifies

At the conclusion of court yesterday afternoon, Special Judge Miller instructed the jury to bear in mind the evidence and facts presented in the conspiracy case of the state against Boaz Demaree, and stated that court would adjourn until Monday morning at nine o'clock.

The state did not finish up with their part of the evidence, and one or two witnesses will be examined the first thing Monday morning, before giving the case over to the defense.

The crowd began to collect in the court room this morning, eager to hear the case, and many people, not knowing that the case was continued until Monday, were disappointed. Two divorce cases were being tried and some of the people lingered long enough to hear the evidence.

Judge Miller stated yesterday afternoon that he desired to be home Saturday and Sunday at Franklin, Ind., as his mother was seriously ill, and he ordered an adjournment until Monday.

The last witness for the state yesterday afternoon before adjournment was Detective Meal, who told about some of the raids. Sheriff Jones of this county, was also on the witness stand several minutes, and told about the attitude of Boaz Demaree, when he came home to find the officers making a search.

The only question the defense asked Mr. Jones on cross-examination was "Mr. Jones, are you a fighter?" Mr. Jones had previously told about Demaree wanting to fight the sheriff barehanded.

After examining many witnesses yesterday afternoon the state did not complete its part of the case, and a few more details were left over to be brought out this morning.

One of the main witnesses yesterday afternoon for the state was Carey Wayner, a Big Four brakeman, who assisted in the Dr. Dean robbery in this city last August, and later went to the detectives and confessed, upon condition that he would be immune from punishment.

The real unraveling of the mysterious gang is due largely to the part of Wayner, whose testimony was taken last December, even before any arrests were made in the case.

Wayner gave his age as 28 years on the stand yesterday afternoon, and said that since March 15 of this year he was employed by the Big Four as a special brakeman, with the Purdue Home Special train that made a tour of Indiana. Prior to this he had a regular run on the Cleveland division of the Big Four railroad.

Wayner told the jury about coming to Rushville on a freight train on the night he and Jesse Demaree robbed the Dean residence. He was stationed in the alley and did not enter the house, he said. His story was almost identical to the one Jesse Demaree told, when he made his confession.

Wayner said that the Demarees asked him to take part several times in various robberies which they had planned, and he said that on one robbery planned here Jesse Demaree told him that a man living between Rushville and Arlington, whose name he did not recall, would provide the machine and take care of the stolen goods.

In answer to a further question about robberies he was asked to take part in, he said that one was planned on the home of a man named Van Pool, living near Greensburg. He said that the Demarees told him that there were several liberty bonds that could be obtained easily.

He also told about plans laid to rob the home of Hugh Taylor, also of near Greensburg. He said that Jesse Demaree knew there was a valuable revolver and an expensive rifle in the house, and that if he

11 PLOTTERS ARRESTED

Alleged Bolsheviks Are Held by German Government

(By United Press.)
Berlin, Apr. 17.—Arrest of six alleged Bolshevik plotters was ordered by Dr. Gessler, minister of defense, in Chancellor Mueller's cabinet. Dr. Gessler said he had been informed three civilians and three army officers had made preparations to form a plot.
The position of the government seems more secure today. The threatened monarchist coup has been averted for the time being, it was reported in official circles.

MEXICAN REQUEST AROUSSES HOT DEBATE

Sen. Ashurst of Arizona Denounces Carranza Troops as "Murderers and Bandits"

MEXICANS ASK TO CROSS U. S.

(By United Press.)
Washington, April 17.—Lively debate broke out in the senate today over the Mexican request that Carranza be permitted to cross American territory to attack the Sonora rebels. During the debate Senator Knox said the permission had been refused. Later, however, he said he based this report on an article in a morning newspaper.

Senator Ashurst of Arizona denounced the Carranza troops as "murderers and bandits" and said if the United States government would prevent Arizona from being made a highway for them, he hoped the governor of Arizona would rebel against them by force or arms if necessary.

While the senate debate was in progress the state department issued a statement saying that a mistake had been made: that Carranza had not asked the United States government to permit him to send troops to Sonora through United States territory, but the only request received came from a few Mexican army officers at Sonora asking permission to ride back to Chihuahua on an American railroad.

Civil war throughout Mexico between forces of Carranza and General Obregon, candidate for Mexican candidacy, may break out, officials here said today. The Sonora movement is primarily a demonstration against the Carranza government, it was stated. The Sonora revolt may enlist other Mexican states and develop into an extensive revolution, it was found.

MRS. MIRIAM DAILEY DIES AT AGE OF 89

Expires Southeast of Glenwood Within Two Miles of Place Where She Was Born

SEVEN CHILDREN SURVIVE

Mrs. Miriam Dailey, aged 89 years, widow of the late Dr. Dailey, expired yesterday afternoon about four o'clock at her home southeast of Glenwood, following a few weeks illness. Mrs. Dailey was a lifelong resident of that neighborhood, and was born within two miles of the place where she died. Her husband has been dead for a great number of years.

The deceased is survived by seven children, Mrs. John A. Spurrier and Mrs. B. F. Miller of this city, the Misses Effie and Dessie Dailey, who lived at home, Erskine of Glenwood, and Horace and Lewis Eugene Dailey. Mrs. Dailey's maiden name was Miriam Gray, and she was extensively related to the Gray families of this county.

The funeral services will be conducted Sunday afternoon at two o'clock at the late residence, and burial will be made in the cemetery north of Orange.

WANTS NUMBER TO BE IN DELEGATION

Richmond Love Feast Committee Wires For Information to Reserve Seats in Coliseum

NOTIFY COUNTY CHAIRMAN

Definite Assurances Received That Senators Johnson and Harding Will Make Speeches

Fon Riggs, republican county chairman, has received a telegram from the committee in charge of the sixth district love feast at Richmond next Tuesday, asking for a definite reply Monday on the number of reservations the Rush county delegation will want for the meeting Tuesday night in the coliseum. All republicans of the county who are planning to go, are urged to notify Mr. Riggs by Monday so that they will be certain of a seat.

There are indications that the crowd will be big because definite assurances have been received that Senators Johnson and Harding, candidates for the republican nomination for president, and three candidates for governor will be present together with several state candidates.

Zell C. Swain, Johnson's campaign manager, received a telegram from the senator yesterday, which indicated that Johnson intends to make Indiana the chief arena in his fight for the nomination.

With assurance that both Johnson and Harding will be there together with James W. Fessler, Warren T. McCray and Edward C. Toner, Republican candidates for governor, and several candidates for state office, the rally promises to be one of the largest political gatherings ever held in this district.

There will be but one big meeting. The doors of the Coliseum will open at 3 p. m. and the meeting will begin at 7:30. The candidates will have headquarters at the Westcott and conferences will be held with party workers during the day.

A reception for Republican women will be held in the foyer of the Westcott Tuesday afternoon. Esther Griffin White, Wayne county women's chairman, has issued invitations to county chairmen of women in the Sixth district, urging them to bring large delegations.

The committee in charge hoped to be able to bring Governor Lowden and General Leonard Wood here for the rally but neither will be able to be here. Governor Lowden announces that he expects to come at a later date. General Wood has resumed active military duties in Chicago.

The full program for the big Republican meeting was announced Friday. It follows:

3 p. m.—Reception for visiting candidates by women of the Sixth district at the Westcott hotel.

7 p. m.—At the coliseum, music by Richmond City band; Senator James E. Watson, chairman; State Chairman E. M. Wasmuth, vice chairman; speech by Senator Harding of Ohio, candidate for president; music; speech by Warren T. McCray, of Kentland, candidate for governor; speech by J. W. Fessler of Indianapolis, candidate for governor; speech by J. W. Fessler of Indianapolis candidate for governor; speech by Senator Hiram W. Johnson, of California, candidate for president.

BUYS PROPERTY HERE

Mr. and Mrs. Fred Hammer have sold their property at Newcastle, where they formerly lived, and have purchased the Felts property at 315 North Harrison street. They will take possession early next month. Mr. Hammer is manager of the McIntyre shoe store.

TO HAVE SIX CANDIDATES

The Modern Woodmen will have six candidates to initiate into the mysteries of Woodcraft, next Thursday night, and a good attendance of the membership is desired. The new team is getting in good shape and will be able to give an interesting account of itself.

LOCAL GASOLINE SUPPLY LIMITED

One Garageman Limits Sales to Five Gallons a Day Per Customer to Conserve "Gas"

OTHERS FILL ALL DEMANDS.

Standard Oil Company's Supply is Reported to be Practically Exhausted Today

The rumor about a gasoline shortage in Rushville, which has been in circulation here for a few days following the appearance of newspaper stories about the shortage elsewhere, is likely to be real providing the railroad strike is not broken shortly and the transportation situation improves.

Rushville was practically face to face with a shortage today, which will not be relieved until a car load of gasoline, which was shipped April 5, is received by Ray Lakin the local agent of the Standard Oil Company.

Mr. Lakin today refused to state anything about the supply he has on hand, but it was reliably reported that he had only fifteen hundred gallons and that he had also received orders this morning to supply the demands of only physicians and undertakers.

Garagemen took different views of the situation. Some of them decided to supply all demands as long as their supply lasted, on the theory that it was as well to do that as to limit sales. On the other hand, one garageman was limiting all sales to five gallons a day per customer and taking care of only his regular customers.

The care of Standard Oil "gas" is reported to be tied up in the freight congestion somewhere in Illinois and there is no certainty when it will reach Rushville, even though the strike should end at once.

A shortage has existed in Richmond, Muncie, Newcastle, Connersville, Liberty and Brookville for several days. A traveling salesman here Thursday, declared that he was unable to buy a gallon of gasoline in Connersville. Newcastle garagemen were limiting their sales, according to last reports, trying to make the supply hold out until three cars, which are on the road, arrive. The Richmond supply is completely exhausted.

Motorists were being urged by garagemen today to help prevent the absolute exhaustion of the supply here by doing no unnecessary driving.

Although the Standard Oil supply was reported to be down to fifteen hundred gallons, the local agent sold a Rushville garageman five hundred gallons this morning.

Many garages were on the verge of exhausting their supply and were out this morning trying to convince Mr. Lakin that they had to have more. One garage owner yesterday sold five hundred gallons.

Many persons, foreseeing a gasoline shortage, stocked up, creating, in a way an artificial demand, it was stated. Precautions are being taken against hoarding, in order to supply the essential needs. In some cities the shortage has become so acute that the gasoline is being sold only for physicians, ambulance, fire departments, police departments and motor trucks used in the conveyance of foodstuffs.

TWO LICENSES ISSUED

The following marriage licenses have been issued: Howard E. Jobe, a farmer of this county, and Lillian Lushel, daughter of Mrs. Clara Lushel, living north of Rushville; Omer Pea of this city and Mrs. Clara Gregg, also of this city.

REINFORCE SONORA TROOPS

Agua Prieta, Sonora, April 17.—A courier from Francisco Villa arrived here today with an urgent appeal for machine gun ammunition. The destination of the ammunition was kept a secret. Eight hundred troops arrived here during the night to reinforce the local Sonora garrison.

LORD MAYOR MURDERED

Cork, April 17.—Thomas MacCurra, late lord mayor of Cork, was murdered late yesterday by a royal Irish officer, it was learned officially.

KIDNAPPED BOY IS FOUND

Danville, Ky., Youth, Taken by Two Men, Escapes

(By United Press.)
Danville, Ky., April 17.—While armed men were searching the state of Kentucky for kidnapers of W. H. Timbel, Jr., aged seven years, the boy, stumbled into his home today wet and bloody and partially unconscious with a cut on his skull.
The boy explained that two men, one a negro, had kidnapped him last night while he was on his way to a neighbor's. The police were unable to find a motive for the attack.

JAMES M. FELTS, AGE 75 YEARS, SUCCUMBS

Former Rushville Man, Who Spent Last 14 Years in Charlevoix, Mich., is Dead

CAME BACK HERE LAST FALL

James M. Felts, aged 75 years, died yesterday afternoon about five o'clock at the home of Mr. and Mrs. A. L. Chew, 232 West First street, after an illness of several weeks. Mr. Felts formerly lived in Rushville, and came back here this winter to live, after spending 14 years at Charlevoix, Mich.

The deceased was born in Logan county, Kentucky, February 27, 1845 and came to Rush county in 1876. In 1881 he was married to Miss Alma Brann, daughter of Mr. and Mrs. William T. Brann, long time residents of this county. Mr. Felts enlisted as a private in Company K, 8th Regiment of Kentucky Cavalry in 1862 and was in service in that capacity throughout the Civil War. In 1906 Mr. Felts and his family moved to Michigan, only returning here last fall. He is survived by the widow and four children, who are Clay Felts of Detroit, Mich., Mrs. D. M. King of Houston, Tex., Mrs. C. J. Herringshaw of Chicago, and William Brann Felts of Ligonier, Ind.

The funeral services will be conducted Monday morning at ten o'clock at the Main Street Christian church, with the Rev. L. E. Brown in charge. Interment will be in East Hill cemetery.

ORIGINAL PRECINCTS TO BE USED IN COUNTY

State Election Board Rules That it Will Not be Necessary to Follow New Lines in Primary

WERE TO PROVIDE FOR WOMEN

The state board of election commissioners has ruled that Rush county may use the original thirty-one precincts for the primary election May 4. This means that the county will not have to go to the expense and trouble of using the fifty-nine new precincts recently established by the county board of commissioners on the theory that women would be entitled to vote and that approximately twice as many ballots would be cast as only when the men voted.

Since the state election board has decided that Indiana women are not entitled to vote in the coming primary, although an Indiana law provides that they may vote for presidential electors, it was decided by the board that there was no occasion for voting in fifty-nine precincts here when thirty-one precincts would meet the requirements.

The county board of commissioners established the new precincts thirty days before the primary as required by law, before the state election board had ruled on the question of women voting and while there were still prospects of the federal woman's suffrage amendment being ratified by the thirty-sixth state, which would make it effective.

Paris, April 17.—The German delegation this afternoon denied rumors that the monarchists carried out a coup in Berlin.

STRIKE APPEARS TO BE CRACKING

Men Returning to Work and Passenger and Freight Service is Close to Normal

GRADUAL IMPROVEMENT SEEN

Situation Will Not be Relieved For Several Weeks Due to Freight Piling Up

(By United Press.)

The "outlaw" strike of railroad workers appeared breaking up in all sections of the country today. Men are returning to work and passenger and freight service was reported again close to normal.

In the New York district all the railroads reported men returning to work. The freight movement was increasing. Gradual improvement in service was reported in all the western cities.

Although many men were returning to work, a large percentage on strike are still holding out.

Arrests of leaders in the strike move in Cleveland were expected today.

The railroad labor board following the organization at Washington, took up demands of the railroad workers today for increased wages.

A serious shortage of fuel due to the tie-up in freight service caused by the railroad strike, was reported from many sections.

Hundreds of plants have suspended or curtailed operations which has thrown hundreds of thousands out of work.

Railroad officials pointed out it would be several weeks before the situation can be relieved on account of the great amount of freight piled up during the strike.

The fuel shortage was greatest in the New England states.

Noblesville Power Off

Noblesville, Ind., April 17.—All factories in Hamilton county that use electric current for power suspended operations Friday evening at the request of the Noblesville Heat, Light and Power Company.

The power company is short of coal on account of lack of transportation caused by strikes of railroad switchmen in various cities. It can not keep its plant in operation longer than the first of the week unless more coal is received. One thousand men were thrown out of employment.

Greensburg Feels Shortage

Greensburg, Ind., April 17.—Shortage of gasoline, due to the freight tieup following the railroad strike, has made itself felt in Greensburg, and dealers are selling only three gallons to a customer.

Greensburg also is facing a sugar shortage and sale are limited to one pound to a customer. Cane sugar is selling at retail at 30 cents a pound, and it is predicted that it will go to 35 cents soon.

Factories May Close

Shelbyville, Ind., April 17.—Furniture manufacturers in Shelbyville expects to be forced to close their plants early next week, because of strikes of railroad switchmen in other cities, which have hampered freight shipments. All packing rooms are filled to the roof with furniture awaiting shipment, and one plant was forced to close its packing room Friday. Sugar stocks here were totally exhausted Friday.

Elwood Restricts Sale

Elwood, Ind., April 17.—Garage owners today placed restrictions on the sale of gasoline, owing to the short supply. Physicians, mail automobiles, delivery trucks for the local stores and long distance travelers are placed on the preferred list. Others are limited to quantity as rigidly as during the wartime restrictions.

Improvement at Muncie

Muncie, Ind., April 17.—Continued improvement in the general situation here is shown as a result of the easing of the railroad workers' strike, although there is fear that some factories may have to close for a short time because of inability to get empty freight cars and raw materials.

HIGH SCHOOL PLAYS ARE WELL ATTENDED

Senior Class Productions at Manilla and Milroy Friday Are Both Well Received

TO BE REPEATED TONIGHT

Crowded houses were reported at both the high school plays given last night at Manilla and Milroy high school auditoriums and both schools will give their plays again tonight. "Miss Somebody Else," the play given at Manilla, was well received, each character acting his or her part well. The officials of the school were unable to tell how much money was taken in last night on account of the advance sale of tickets, but it was stated that at least \$50 was realized on the production. Much credit is to be given Miss Helen Carter, who trained the actors, for the success of the play. The Milroy high school play, "And Home Came Ned," was a decided success, the report being that it is one of the best high school plays given by a senior class of that school. A crowded house welcomed the actors, who showed through their acting that they were well trained. At least \$80 was taken in at the door last night and a full house is anticipated again tonight. The baccalaureate sermon, of the senior class of the Manilla high school will be held Sunday evening in the auditorium of the high school and the Rev. Mr. Meyers will deliver the address.

GEN. LEONARD WOOD RESUMES CAMPAIGN

Leaves For Nebraska After Finding Traffic Conditions Improving—Presence Unnecessary

SEES NO I. W. W. ACTIVITY

Chicago, April 17.—Leonard Wood who broke off an eastern speaking tour to return to the central department headquarters because of the strike, left last night for Nebraska after announcing that he found traffic conditions improving throughout the department. He said army intelligence officers had found no evidence of connection between the strike and I. W. W. activities.

Attorney-General Palmer Wednesday declared reports from his department linked the "illegal" switchmen's walkout with Industrial Workers of the World plan for "one big union" and a nation-wide walkout. Military intelligence officers had been unable to find any connection between the two, General Wood said. "I am leaving for Nebraska, and probably will return Sunday," he said.

General Wood added that he would remain on leave for the present as nothing in the situation here made necessary his presence at department headquarters.

would assist in the robbery, he could have the revolver, but Jesse wanted to keep the rifle.

Wayner stated further that only a few days before the Dean robbery here, Jesse Demaree asked him to go to Westport with him, and get some whiskey, Wayner said that Demaree knew a man with an automobile who would assist them.

The state asked Wayner who the man was with the automobile, but Wayner said he didn't know whether his name was mentioned on this occasion or not, but that several times before, Demaree has remarked to him that "Gregg Alyea was all right".

The defense on cross examination of the witness did not ask questions concerning to this case, but confined their questions to the past life of Wayner, bringing out the fact that he had twice been in the Jeffersonville prison, once at Plainfield and "in jail four or five times."

Wayner said that he was sentenced to Jeffersonville once from Greensburg and another time from Warsaw.

Wayner told the jury that he received some of the stolen goods from the Dean residence, and that he took his wife at Elkhart, Ind., a pink silk dress, which was stored in a chest.

The silk dress was presented to him on the witness stand and he readily identified it as the one which he had given her, after the Dean robbery.

Taylor Meek, Greensburg's city marshal, next took the stand and occupied the rest of the afternoon, telling his part of the story in the raids. He said that he was born and reared in Greensburg, and was a veteran of the Civil war, and knew the Demaree boys from the time that they were small boys.

His evidence was largely a repetition of what the other officers had testified to, and he too, identified many of the stolen articles, which was placed on exhibition.

A baby girl was born Thursday night to the wife of Howard Beut, 724 North Jackson street. The child was born named Betty Frances. Mrs. Beut was formerly Miss Geneva Goodson of this city.

Annual Commencement Exercises of The Arlington High School Are Held Friday Night

ADDRESS BY ALBERT STUMP

The annual commencement exercises of the Arlington high school were held last evening in the Christian church at Arlington.

Music was provided by the Arlington orchestra and the invocation was pronounced by Rev. F. M. Westhafer, pastor of the Arlington Methodist church. The address of the evening was delivered by Albert Stump, state director of the ex-service men, Y. M. C. A. County Superintendent C. M. George presented diplomas to the following high school graduates: Lillian Allison, Vivian Hinton, Tom Hufferd, Lorraine Kennedy, Alta Lee, Mahel Mitchell, Dale Ronan, Melvin Woods and Mildred Woods. This is one of the largest classes ever graduating from the Arlington high school.

The Rev. G. H. Lawton pronounced the benediction and the orchestra played the closing number of the exercises. A large crowd attended the commencement despite the inclemency of the weather.

OLD OFFICERS RE-ELECTED

Annual Meeting of Chautauqua Directors Friday Night

The old officers of the Rush County Chautauqua association were elected at the annual meeting of the board of directors which was held last night in John D. Megee's office. Robert A. Innis was re-elected president; Rush G. Budd, vice president; A. M. Taylor, secretary, and F. E. Wolcott, treasurer.

Plans for the annual chautauqua, which will be held August 8 to 15, were discussed. The program committee has practically completed the program for the assembly.

\$1,000.00 Saved In Two Weeks

That's What We've Done

Sounds like we will be ready to retire in a few weeks doesn't it?

It is an actual fact, however, that we have saved \$1000.00 for our customers here in Rushville and Rush County in two weeks.

This Is How We Did It

Some two hundred men customers brought or mailed to us one or more of their old "cast-off" hats; these we cleaned and blocked and made as good as any new \$5.00 to \$8.00 hats.

We Can Save For You, Too

We are prepared to take care of at least two thousand old hats this spring. Bring us at least one of your old hats; we absolutely guarantee to make them as good as new or charge you nothing for our work.

CAN CATARRH BE CURED

Does it Cause Tuberculosis, Pneumonia, Influenza to be Contracted?—Free Examination and Lecture by Catarrh Specialists.

The medical director of the Indiana Catarrh Institute, 1436 North Illinois street, Indianapolis, Ind., is going to be in this city for one day. He will give privately, a free examination and consultation to everybody that goes to see him, as well as a very interesting and instructive lecture on just what catarrh is; what it will do to a person afflicted with it and give proof that catarrh has been cured and is now being cured every day right in this city.

This expert specialist has spent 17 years in the special study and treatment of chronic catarrh; has seen thousands of cases and positively pays no attention to any other diseases than catarrh. He is at the head of a large institution in Indianapolis, which is devoted exclusively to the treatment of this one disease. He has an entirely new and different system of successfully treating this disease, which he will be glad to demonstrate to all who call on him.

This pleasant and successful system can be used at home at very small expense, without any loss of time or inconvenience. It works successfully on the worst old cases of catarrh of the nose, throat and bronchial tubes. Chronic coughs and bronchitis, dropping mucus in the throat, pain in the chest, shortness of breath, clogged up head and nostrils, head noises and catarrhal deafness, hawking and spitting, frequent severe colds, asthma, hay fever, chronic catarrh of the stomach and bowels and all old "run down" conditions due to catarrh.

Chronic catarrh is often the forerunner of tuberculosis, influenza, pneumonia and other fatal diseases. Stop wasting time and money on sprays, douches, salves, appliances and the methods of ordinary doctors. Go and consult real specialists on the disease. It does not put you under obligation in any way. He is glad to advise you freely.

He will be at the Hotel Scanlan on Wednesday, April 21st, from 9 a. m. to 8 p. m., and every twenty-eight days thereafter.

If it is impossible for you to call on him in person, you should write to find out all about this new system that is curing people. Just address a card or letter to the Indiana Catarrh Institute, 1436 North Illinois street, Indianapolis, Ind.—(Adv.)

A State Memorial

The state of Indiana has an opportunity to become the center of patriotism for the United States and if advantage is not taken of it, the people of the Hoosier commonwealth will always regret that they rejected the change. National headquarters of the American Legion is knocking at Indiana's doors and if the needs of the organization are not met, the headquarters will be moved to a place where something substantial will be provided.

There is a campaign just now for action by the state legislature to pass a law which will make possible in Indianapolis a memorial building that will be headquarters for the Legion's national organization and other patriotic societies. The citizens of Indianapolis offer to raise by popular subscription as much as the whole state is called on to pay in taxes to keep the home of the American Legion in Indianapolis. This seems a fair proposition and one which the people of the state should take advantage of. In addition to paying its just share of the taxes, Indianapolis is willing to pay half the cost of such a building, with contributions.

It will be necessary to call a special session of the legislature to pass the proposed law, but the prospects are slim for a special session now. With little or no prospects of a special meeting of the legislature, the members of the Legion who are interested in retaining national headquarters in Indiana are looking forward to the state legion convention at Vincennes on June 28, as the one ray of hope. Realizing that they must combat covetous cities at the national convention in Cleveland next fall for the honor of having national headquarters, the state Legionnaires are already discussing steps to check the anticipated maneuvers of other delegations.

It had been hoped by the Legion leaders that the state would have taken some action on the proposed memorial project before the Cleveland convention. Any action toward that end would have given the Hoosier delegation sufficient support to have offset any attempt to remove the national offices, the leaders believe.

There is little chance that the special session will be called before the primary on May 4, due to the great opposition of the candidates to convening the lawmakers. Whether it can be called afterward is a matter that few can speculate on with any degree of certainty. May is filled with political conventions as is also June, and it may be that no action will have been taken on the memorial project prior to the Legion's state meeting.

There is no doubt that at that session some action will be taken toward asking recognition for the former service men from Indiana. What that demand will be none of the leaders will even profess to guess, but with more than 1,000 delegates in attendance, there is little likelihood that the convention will be wanting in action.

When there was an overturning of government in Russia in 1917 the U. S. Department of Commerce issued a bulletin declaring that the change was of great significance to the United States and that it was not a revolution but a "comparatively peaceful suppression of an inefficient form of government by the succession of a highly organized and efficient form of government." It is evident that the Department of Commerce had no prophet in charge of its affairs.

Our Daily Laugh

New and Bright Yarns That Will Tickle You and Will Be Relished by Your Friends When You Repeat Them.

When Wm. Howard Taft was president he attended the Pennsylvania State Bar Association at Bedford Springs. Seeking information as to the location of this old town and what were its principal industries, the then President entered into conversation with a native riding day-coach like himself.

"Just where is Bedford?" asked the President.
To his amazement and amusement and with a strict regard for the truth, it was afterwards proven, the fellow traveler replied, "Bedford is just half-way between Cipher and Fossilville."

THEY HIT THE SPOT

D. McMillen, Volunteer Fireman's Home, Hudson, N. Y., writes: "My back pained me, so I could not sit down to read or write with comfort; I could not sleep at night for constant pain, and when I walked I was in great misery. I tried several remedies, but none did me any good. After taking 2 bottles Foley Kidney Pills my back and side are completely cured. They are like a stream of water played on a fire by firemen. They hit the spot, put out the fire and down the pain." They relieve kidney trouble and bladder ailments. F. B. Johnson—(Adv.)

DR. OSBORN'S IMPROVED METHODS ARE EXCLUSIVELY HIS OWN, AND THERE IS NO GUESSWORK ABOUT IT. THEY HAVE PROVEN SUCCESSFUL.

In the treatment and cure "without the use of the knife" of Piles, Fistula, Pessure, Prostatic Enlargement, Rupture, Chronic Discharges of the Kidneys, Bladder, Obstruction, Rheumatism, Stomach, Bowels and all other curable Chronic Diseases.

No Matter How Obstinate or How Contracted—Cured

When I say I can cure you, you can depend upon it, for I know from the successful results in thousands of similar cases to yours, just what I can accomplish. Grateful patients treated by me are constantly recommending others, and this is why I possess such a large practice.

Men! Women! If you do less than you should, on your farm, at your desk, or in your shop, you are in some way weak. If you can't accomplish all that you expect or hope for, you are the silent sufferer from some hidden disease that affects one or more of the important nerve centers of the body. These neglected or unknown conditions, are usually diseases of the Pelvic System, which reflexly act upon the organs of Elimination, digestion and the nervous system, which in turn has its influence on the brain. I have made a special study of the Nervous System and have perfected methods that will cure where ordinary methods have failed. I will give you a searching and thorough examination FREE, thus determining the exact location of your trouble.

BEAR IN MIND that I have in Indianapolis one of the most modern and thoroughly equipped offices in the state with a Specialist in charge who is ripe in years of experience, rich and mature in learning in his chosen work. That neither one of us will promise you more than we can give, and should you be unable to see me on date specified above, you can write, or better still, call at my home office, 914 Traction Terminal Building, Indianapolis.

Obituary

"God's finger touched them and they slept." This sleep is where the sweetest dream Of life is fully realized. That state where wisdom is supreme, And our longings are immortalized."

The silent messenger, mysterious death, at whose approach our cheeks blanch and in whose presence we are dumb with apprehension, overwhelmed by a power we can not comprehend, has thrice entered the same earthly home since the leaves of last autumn fell and summoned both father and mother.

Frances Lilly Perkins was born in Rush county, Indiana, March 10, 1866. Died at her home near Rushville March 1, 1920, aged 53 years, 11 months, 21 days.

October 2, 1888, she was given in marriage to William Edward Perkins. To this union were born five children.

Those of her kindred who survive to cherish the memory of these loved ones are three daughters, Mrs. Arthur Browning, Mrs. Harvey Reed, Mrs. Kirby Browning, the two sons, Earl and Elmer, nine grandchildren, one brother, and many friends.

Years ago she became identified with the Little Platte Rock Christian church, and has continued steadfast in her allegiance to her church and loyalty to her Redeemer.

She was a faithful and devoted wife, a tender and self-sacrificing mother and a genial, obliging friend.

To our finite and limited understanding it is not revealed why these inexpressibly sad and grievous trials are our earthly heritage. We can only strive to dimly realize that somehow, all these earthly sorrows are part of God's wise plan, and sometime when we shall have "crossed the bar", we shall see with clearer vision and the purpose of the infinite will be revealed, and all our doubts and misgivings and weaknesses and failures shall be eliminated, and out of the tangled discords and fruitless strivings and jumbled mosaics of our earthly lives may God form for each of us a celestial harmony, and a beautiful, symmetrical whole, with souls so purified and beautified and freed from all earthly dross as to be worthy a place in the City Eternal.

"Behind each life the Weaver stands And works His wondrous will. So leave it all in His wise hands And trust His perfect skill. Should mystery enshroud his face And our short sight be dim, We will not try the whole to trace But leave each thread to Him"

DIFFERENT KINDS OF COUGHS

Bad colds lead to different kinds of coughs. There is a "dry cough," a "winter cough," la grippe cough, bronchial cough, asthmatic cough, and of course, the racking, painful cough to raise choking phlegm. Foley's Honey and Tar gives quick relief in all cases. T. J. McCall, Athens, O., writes: "We used Foley's Honey and Tar in our home for several years and find it almost invaluable for the cure of coughs and colds, and especially for croup with our children." WHERE ARE THE EGGS YOUR HENS ARE LAYING?

Under the barn and other buildings and in far corners you seldom visit Mrs. Hen hides her nest and lays her eggs largely for the benefit of rats, weasels and skunks.

Build her a good house with good nests and she will be glad to stay at home and do her duty. Eggs at three cents or more each will soon pay for the proper building.

Come and see us for plans and estimates of various styles and sizes of hen houses.

Senate Passes House Bill Admitting Some Paper Duty Free

(By United Press.)

Washington, April 17.—A bill admitting duty free all print paper valued at less than eight cents a pound was passed by the senate today. The house has already passed the measure. The existing law admits free of duty only paper valued at less than five cents a pound. Under the bill passed by both branches, paper valued at more than eight cents will be subject to a 12 percent ad valorem tax. This tax is collected on paper worth more than five cents a pound under the present law.

Passage of this bill, officials say, will cause more print paper to be shipped to this country. It will be effective for two years.

Capes, Dolmans Still The Thing

By MARGARET RHODE
(Written for United Press.)

The hills are mantled soft in green At the approach of Spring; Melady's mantled in Charmeuse For mantles, are the thing.

New York, April 17.—A Spring wardrobe isn't worth a rap without a wrap for all occasions. Braving the fashionable age limit of four seasons, capes and dolmans still cling triumphantly and persistently to fair shoulders and refuse to be given the cold shake.

Practically the only new note that has furnished up the capes of yesterday to make them desirable for today is the pleat. Some capes are simply one pleat after another in triple tiers while others fall in sheer unbroken lengths of pleats from neck to hem. Serge and tricotine, of course in navy blue, are the favored fabrics for the pleated capes. One simple effective and popular serge model is formed of three tiers of fine accordion pleated ruffles, picot edged, that fall from a huge crush collar of navy taffeta and end at the knee. The knee length by the way is the accepted finish line for the new cape models and any falling below the line stamps it at once as a last season's garment.

An interesting coat wrap of navy serge has an over cape of the pleated serge reaching to the waist line and a huge crush collar of the plain serge on top of that. Needless to say this garment is built to cloak only the slender, svelte and sinuous.

Wraps and mantles of charmeuse and taffeta in either black, navy or brown go in rather for shirrings and puffings for their adorning. Some of the more dressy and elaborate break out into eruptions of lace, monkey fur or many buttons. An unusually artistic dolman of duvetyn has a deep crush collar and deep facings around the arm slits of Persian patterned satin whose soft toned designs are further enhanced by an outline of varicolored beads.

Such a mantle as Cleopatra might well have wrapped around her peerless form when she went bartering on the Nile with Mark Antony, Esq., is ready to fall on the shoulders of her 1920 prototype as first aid in her ramping of some modern easy Mark. It is of silk duvetyn in that rare old Egyptian blue and resplendent with conventional lotus blooms, scarabs and all other striking symbols of the land of the Sphinx and the pyramids. These motifs are in bizarre tones of jade green, brick red and yellow outlined in metallic threads of gold and silver. Nothing short of a poetic rhapsody can adequately describe this wrap.

More simple and tailor made yet delightfully graceful in their plain soft folds are capes of Bolivia, Peachbloom and Duvetyn in sandy or mousey shades. Self toned silk stitching is their sole adornment but of chaste simplicity reveal reverse sides of gorgeous hued silks hectic of tint or ornate of figuring.

Wonderful lace wraps just one frothy bounce of edgweb gossamer after another with only a yoke or panel taffeta or satin to give them a semblance of stability are lined with misty chiffons and altogether are as frail and fairylike as a midsummer night's dream.

It's simply impossible not to be all wrapped up in yourself when you're wrapped up in one of these wraps.

GREENSBURG DECREASES

The census report given out today from Washington gave Greensburg a population of 5345, which is a decrease of 75 in the last ten years, or 1.4 percent. Other Indiana towns reported were Hartford City 6183; decrease of 1 percent; Alexandria 4172, decrease of 924 or 18.1 percent; Madison 6711, decrease 223, or 3.2 percent.
